"Andar com Gil", an album that brings together Delia Fischer and Ricardo Bacelar around the work of the Bahian musician and composer Gilberto Gil, hits on January 27, through the Jasmin Music label. Produced by four hands and recorded in Dolby Atmos at Jasmim Studio, in Fortaleza, the acoustic album highlights the piano and the voices of Delia and Ricardo, in a repertoire that favors songs by Gil that speak of spirituality. The project has the very special participation of Gilberto Gil, the great honoree, in the recording of the song "Precise". On the same day, the 27th, the videoclip that records the backstage of the recording with Gil premiered on Youtube.
