Brazilian Artists Flora Purim And Airtó Moreira Join Pianist Ricardo Bacela On New Single “Aqui Oh!”

FORTALEZA, Brazil – Aug. 29, 2025 – PRLog — Brazilian jazz legends **Flora Purim** and **Airtó Moreira** have teamed up with musician-producer **Ricardo Bacelar** for a new single, “**Aqui, Oh!**” (by Toninho Horta and Fernando Brant), releasing August 29 on streaming platforms worldwide. Recorded at Jasmin Music studio in Fortaleza, Brazil, the track features Flora on vocals with Bacelar, and Airtó on percussion and vocals. It will also appear as a bonus track on their forthcoming album, scheduled for 2026, produced alongside a behind-the-scenes documentary by award-winning filmmaker Jom Tob Azulay.

The single marks the couple’s return to the studio in Brazil after decades in the U.S., where they built influential careers in jazz and fusion, working with icons such as Miles Davis, Chick Corea, and Stan Getz. Known for their experimental spirit and strong Brazilian identity, Flora and Airtó continue to innovate more than 50 years into their partnership.

“I discovered the work of Flora Purim and Airtó Moreira when I was very young and have followed their careers with admiration ever since. I was introduced to them by Jom Tob Azulay, who invited me to join a documentary about the two as co-producer and musical director. After we began working on the film, I spoke with Flora about the idea of making an album—one featuring her and Airtó—that would complement the film.” -Ricardo Bacelar

In addition to this project, Bacelar recorded a separate duo album with Airtó featuring original compositions. Both works are part of Jasmin Music’s ongoing commitment to high-quality Brazilian music collaborations.
